Absolute Live Mega Amino

Product Description

These drinks are specifically designed to support muscle growth and recovery—without compromise. Whether you're just starting your training or at an advanced level, our MEGA AMINO drinks not only refresh you but also help you achieve better results.

Product Features

- Three delicious flavors: Mixed Fruit, Exotic, Strawberry-Guava
- 10,000 mg of active ingredients per bottle
- Sugar-free

Active Ingredients

- BCAA
- L-Glutamine
- Taurine
- L-Arginin
- L-Citruline
- L-Carnitine

Absolute Live Isotonic Drink

Product Description

This isotonic sports drink delivers essential minerals, vitamins, and carbohydrates to keep your body energized during exercise. Proper hydration is key to performance, endurance, and recovery—and this drink provides exactly what athletes need.

Product Features

- Three refreshing flavors: Forest Fruit, Blood Orange, Grapefruit
- Dual sugar blend for sustained energy release
- Enriched with essential vitamins and minerals

Active Ingredients

- Magnesium
- Zinc
- Vitamin B3
- Vitamin B5
- Vitamin B6
- Vitamin B9

Absolute Live L-Carnitine

Product Description

These drinks feature our highest L-Carnitine concentrations yet—3,000 mg per bottle, and 4,000 mg in the Mega L-Carnitine version—to help you maximize fat burning. L-Carnitine efficiently converts fat into energy, accelerating fat loss while boosting your performance.

Product Features

- Four delicious flavors: Green Apple, Elderflower-Lemon, Lemon Ice Tea, Strawberry-Guava
- High L-Carnitine content per bottle
- Available in caffeine-free and caffeinated versions
- Sugar-free

Active Ingredients

- L-Carnitine
- Chromium
- Vitamin C

Absolute Live Fat Burner

Product Description

For those seeking more than fat burning—shaping and toning included—this drink is the ideal solution. Green coffee extract and Garcinia Cambogia deliver powerful antioxidants, helping to curb appetite and boost metabolism. Combined with L-Carnitine and thermogenic actives, it maximizes fat-burning performance.

Product Features

- Two refreshing flavors: Pineapple, Prickly Pear–Strawberry
- Multi-action formula for effective fat burning
- 100% sugar-free

Active Ingredients

- L-Carnitine
- Garcinia cambogia
- Vitamin C
- Green coffee extract
- Chromium

Absolute Live Recovery

Product Description

Post-workout recovery isn't a luxury—it's essential for progress. Absolute Live Recovery drinks use targeted ingredients to support muscle repair, reduce fatigue, and restore your body's balance.

Product Features

- Three delicious flavors: Blackcurrant, Cherry, Grapefruit-Banana
- Packed with diverse amino acids, Vitamins C & B, and Magnesium
- Sugar-free

Active Ingredients

- BCAA
- L-Glutamine
- Vitamin C
- Vitamins B
- Magnesium

Absolute Live Collagen

Product Description

Whether during workouts or daily refreshment, these drinks support hydration, replenish essential minerals, and provide extra care for joint and skin health.

Product Features

- Currently available in Elderflower-Lemon flavor, with a new flavor launching this year
- Combined with Hyaluronic Acid and Vitamin C
- Sugar-free

Active Ingredients

- Collagen
- Hyaluronic Acid
- Vitamin C
